

About the Manufacturer

With roots going back to 1948, North Pacific Group, Inc. (North Pacific) is an employee-owned, privately held wholesale distributor and manufacturer of building materials, industrial and hardwood products, and other specialty products. They are one of the largest in the U.S. with annual sales reaching \$1.5 billion.

The people at North Pacific are experts in purchasing, sales, marketing, production, distribution, transportation, and logistics. they have over 50 sales & inventory locations strategically located to serve our customers efficiently. And their logistics expertise in truck, rail, barge, and ocean transportation means that we deliver your product when and where you need them.

Over 57 years ago, North Pacific started as a small family-owned business and have grown to an employee-owned company. Each employee has a stake in our success and is rewarded when the company thrives. This gives us a distinct advantage over our competition.

As a billion dollar company, we are able to offer the economies of scale that come from being big.
